

Alliance of Therapy Dogs

Mission Statement

Alliance of Therapy Dogs (ATD) is an international registry of certified therapy dog teams. We provide testing, certification, registration, support, and insurance for members who volunteer with their dogs in animal assisted activities. Our objective is to form and support our network of caring individuals and special dogs who share smiles and joy with people, young and old alike.

Scope

Alliance of Therapy Dogs now has over 17,000 members handling over 19,000 dogs. ATD members are located in every state, as well as Puerto Rico, Canada, and on American military bases worldwide. As a member, you can visit in all these geographies and be covered by ATD insurance while you visit.
